RE: P-2013-002 Dawson Gold Project
Inspection September 15, 2021 completion of Corrective Action

Dear Mr. Cazier,

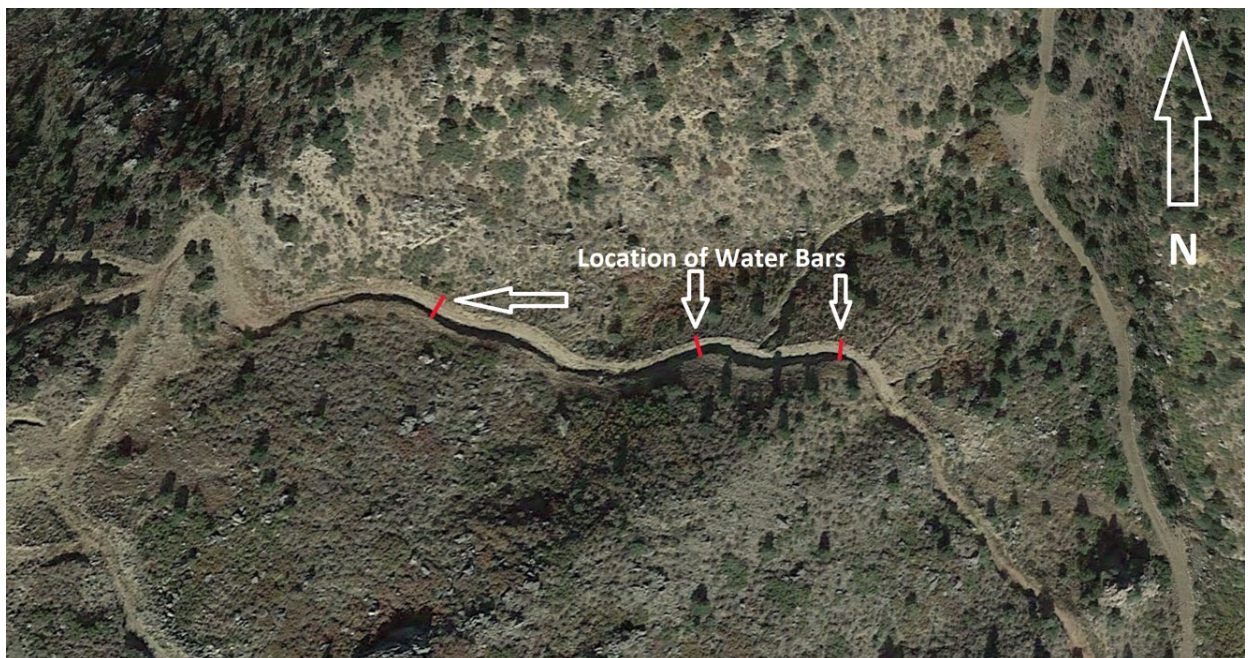

As required in the above referenced inspection report, water bars were constructed May 5, 2022. The figure below indicates the location of the water bars. The following pictures are photo-documentation.

Please feel free to contact me directly with any questions.

Respectfully submitted,

Angela M. Bellantoni

Subject: P-2013-002 / Dawson Gold Project Corrective Action Documentation Past Due

Hi Angela,

Just checking in on the status of the corrective action erosion issue (see attached) related to the road to Windy Peak. If the work is done, can you send me some corroborating documentation? If not, please send me an extension request with some background/rationale for an extension.

Thank you.

Tim Cazier, P.E.
