RE: Cross Gold Mine, Permit No. M-1977-410, Historic Shaft Disturbance Remediation

Mr. Takami:

On June 10, 2022 the Operator, Grand Island Resources, LLC (GIR), submitted a request to remediate the Cross Shaft surface depression to the Division of Reclamation, Mining and Safety (DRMS/Division). This request for DRMS approval of activities is in conformance with the Cease-and-Desist Order issued by the Mined Land Reclamation Board during the enforcement hearing held on December 15, 2021. The Division has completed its review of your submittal and response to the Division's request for additional information. The proposed remediation action is consistent with what was approved in AM-2. The Division will approve the proposed activities with the following commitment:

1. Provide the Division photographic documentation of the activities during and post remediation and a brief summary of when activities began and ended, and approximately how much material was used for remediation.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
