**RE: Baurer Pit, M-2020-058, Ownership Complaint (CT1)**

Dear Ms. Gould,

I have reviewed the information and documentation you provided to me on May 11, 2022, regarding the ownership of the above referenced site. I have also forwarded your concern to Aggregate Industries – WCR, Inc. ("AI") and they have also provided a response and documentation regarding your inquiry on June 1, 2022.

Upon review of the documentation provided, the Colorado Division of Reclamation, Mining and Safety has found that AI has provided documentation of their legal right to enter to conduct mining and reclamation in accordance with Rule 6.4.14.

If you have any questions or concerns please feel free to contact me at [Jared.Ebert@state.co.us](mailto:Jared.Ebert@state.co.us) or at (303) 866-3567 ext. 8120.
