

Hubbs Pit  
M1987088  
Permit Boundary

This is an aerial photograph of a large, irregularly shaped pit or excavation site. The pit is filled with light-colored, sandy or silty material, likely sand or gravel. The pit is surrounded by a mix of green grass and brown, bare earth. A cyan line outlines the permit boundary, and a red line outlines the areas that have been graded. The pit is located in a rural area, with a road and some other land parcels visible in the background.

Areas Graded
