**RE: GCC Rio Grande, Inc., Salt Canyon Project, Reclamation Permit No. M-1997-064, Technical
Revision 03, Request for Response Deadline Extension**

Dear Mr. Cazier:

On June 22, DRMS submitted its preliminary adequacy review of the TR-03 application for GCC Rio Grande Inc.'s (GCC) Salt Canyon Project. The original deadline to address DRMS's comments was set for June 30, 2022. Due to the tight timeline for this response, GCC is requesting a 30-day extension from the June 30 deadline to submit its response.

If you have any questions regarding this submittal or need any additional information, please contact me at (719) 647-6861.

Sincerely,
