Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Updates for I-Pit expansion to west and L Pit expa
Short description

Narrative Description of Revision * (?)

The revision extends the I-Pit Middle pit to the west of the current open pit. In L-Pit the strike line cuts at the southern end of the pit area will progress faster than originally planned in 2022. The L Pit mining limits have been extended to the north along with H-Seam overburden removal.

Adequacy response letter

Permit Page 4-177; Table 4.8-3 has been revised to show the proposed design for the "J Pit Diversion" and the "Coyote Diversion" has been removed as it will no longer be needed in lieu of the new diversion.

The SedCad run for "J-Pit Diversion" had been included in this submission. It will need to be added to Appendix Q; Section XVII, Temporary Diversion Ditch Design.
