Enclosed is a letter concerning when we will be able to have our final Report for the second quarter to comply with the Cease and Desist order. This final report will be submitted as soon as water quality data for the second sampling event in June is received by GIR.

Respectfully,

Daniel J. Takami

RE: Cross Gold Mine, Permit No. M-1977-410, Second Quarter 2022 Report to comply with the Cease-and-Desist order issued by the Board on December 15, 2021.

Dear MLR Board,

Grand Island Resources (GIR) hereby would like to respectfully inform the Board that the Second Quarter 2022 Report in compliance with the Board's Cease and Desist Order in reference will be submitted as soon as test results from the Second Water Quality Sampling Event for the Month of June 2022 are received and processed by GIR, such that data for the entire quarter are included.

Respectfully Submitted,

Daniel J. Takami
