Hello,

Baca County's District 2 is responsible for a pit (Bulkley Pit #17; M-1981-138) that the land where it is located has changed hands. We would like to change the name of the pit and need guidance on how to do that. The annual pit report is due in July, so if we could establish the new name at that time it would be great. Baca County will still be responsibility for the pit operations. Any help you can provide would be appreciated.

Thank you,

Pat Smith
