RE: Revenue Mine Permit No. M-2012-032, Inspection Problem Corrective Action, Due Date Extension Approval

Dear Mrs. Staub:

On June 30th, 2022, the Division of Reclamation Mining and Safety (Division) received your request for an extension to the compliance date for the submitting the As-Built Certifications and supplemental materials as detailed in the Division's April 11, 2022 letter. This notice is to inform you that your request has been **approved**. All materials required to demonstrate compliance should be submitted to the Division no later than **Friday, July 8, 2022**. Please note that until such time as the certifications have been submitted and accepted by the Division, no additional tailings or other materials may be stored within the Atlas Tailings Storage Facility regardless of a liner.

If you require additional time based on site conditions, please submit an extension request in writing to the Division prior to the compliance date. If you require additional information, or have questions or concerns, please feel free to contact me, direct contact can be made by phone at 303-866-3567 Ext. 8183 or via email at amy.yeldell@state.co.us

Sincerely,
