Hi Tabetlia,

A lot of our resources are currently being pulled to address comments on the draft discharge permits. We would like another extension. Could we please get an extension until September 2nd, 2022. We believe this should give us ample time to complete the 2021 AHR.

Thanks

Subject: Foldel AHR

Foldel AHR due date was extended to 7/1. Can you provide an update on the status of this report?
