Hi Mariah,

I have an Adequacy Review Response Letter that needs to be added to the Red Tierra Equities, LLC Section 20 Gravel Mine DRMS 112 permit application that is filed with the Clerk to the Board for public review.

Are you able to add this on to that file or do you need me to stitch it together and resend the application?

Thanks,

Kyle Regan

Hi Mariah,

I have attached a revised version of the Red Tierra Equities, L.L.C. Section 20 DRMS 112 application. We received an incompleteness notification from DRMS and this revised application addresses the points that the DRMS brought up. Please place this for public review in place of the DRMS 112 application that was placed with you in January.

Let me know if you have any questions.

Thanks!
