I, Chad Theis grant to Arkins Park Stone Corp. and their agents acting on their behalf legal access to the quarry covered under permit M-1981-057 for a period until August 2022 to allow for mining and reclamation of the site. Arkins Park Stone Corp. will need to maintain Steamboat Valley Road and access driveway under the lease terms. Be it further known, that I request that the highwall located on the south side near my building site be left as is to allow for a natural amphitheater. In addition, I request that Arkin Park Stone not plant any tree, shrubs or grasses within 50 fee of the home site. I request that the Division of Reclamation adjust the required permit, releasing the south quarry near the building site.
