RE: 32.5 Road Gravel Pit, Permit No. M-2009-035, Water Rights

Dear Mrs. Yeldell:

M.A. Concrete is currently working Clifton Sanitation District (property owner) and Bill Merrill on obtaining adequate water rights for the 32.5 Road gravel pit. We are hoping to have this process completed by November 1, 2022 but will be partially bound by the State of Colorado's response to our requests. We will provide evidence of our submittals no later than September 1, 2022.

Sincerely,

*Andy Azcarraga
