Is the contact information listed above correct? If it is not correct your organization's Administrator will receive an email notification. *

☒ Yes ☐ No

Once this form is submitted you will see a link to update contact information, which you may do if you're an admin.

Surface Area Changes

Revision

Revision Title * (?)

Storm water

Short description

Narrative Description of Revision * (?)

The reclamation plan calls for creating drainage for any storm water. Current grading retains and infiltrates water through the gravel floor and does not accumulate. There is no need to create the drainage. This Technical Revision changes the reclamation plan to current grading pit floor

Detailed description used for notifications

Bond Amount Change? *
