

Cheyenne County, Colorado

Rother Pit #2

A portion of the NW 1/4, Section 24, T16S, R43W, 6th P.M.
Cheyenne County, Colorado

Property Description Rother Pit #2

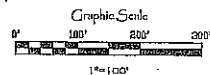

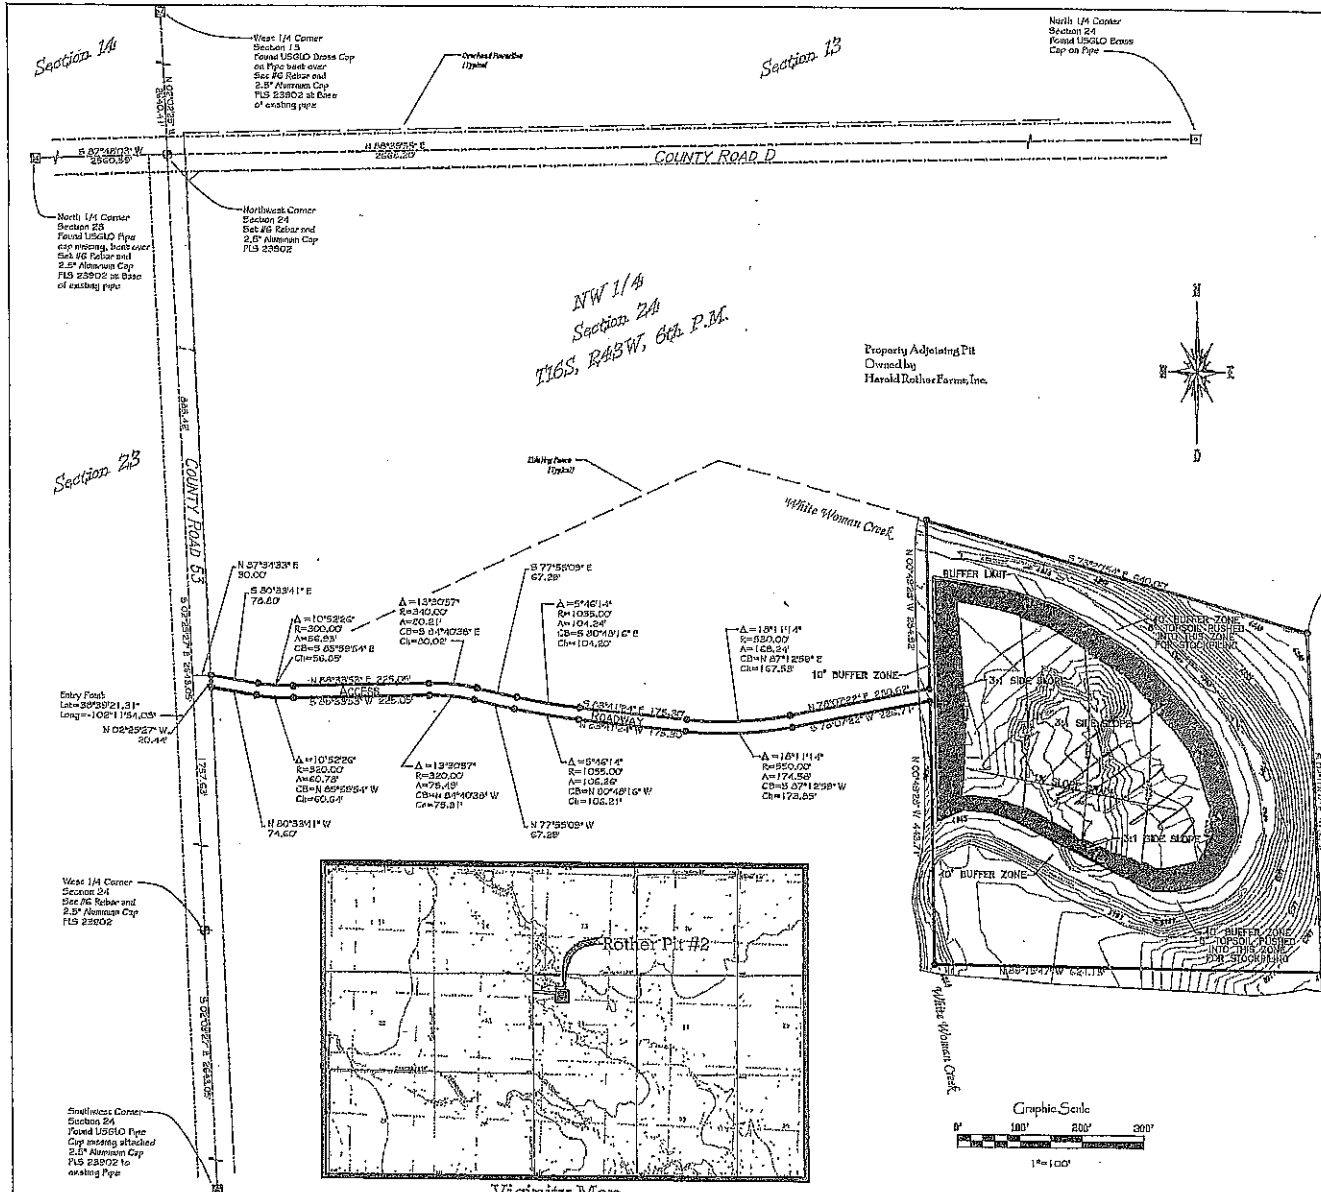

A block of land situated on the North half of the Northwest Quarter (N1/2NW1/4) of Section 24, Township 16 South, Range 43 West of 11th Principal Meridian, Cheyenne County, Colorado.

Mining Plan

1. Mining will commence in the summer of 2019 in the area, portion of the buffer zone of the approximately 10-acre permitted area; progress work is needed. A 40-foot buffer zone separates the mine from the area of operation. A 10-foot buffer zone separates western permit boundary from the operations boundary area. The permit.
2. Mining will begin by closing the approximately 0.5-foot of top soils to the edges of the 40-foot buffer to create a bench and protect operations area. The top soil will be used during the reclamation phase.
3. Upon closing the approximately 0.5-foot of topsoil, mining of waste soils will begin to the open-pit limit and grades shown in this Cheyenne County will take great care during excavation to not extend the excavation beyond the buffer zone.
4. The extent of the sand and gravel to be mined is undetermined until Cheyenne County starts excavating the permit area. The greatest depth of the excavation area will approximate and could change depending on the site conditions during excavation.
5. The full mining plan is included in Exhibit C of the Mining Application.

Reclamation Plan

1. Once final excavation grades are met in the excavation area, top soils will be placed over the excavated area to begin the reclamation of the mining process.
2. Once the top soil is spread over the excavation area, the disturbed area will be fertilized and re-seeded as needed.
3. The road used to the pit will be restored and widened back to its natural condition.
4. The full reclamation plan is included in Exhibit D of the Mining Application.
