Re: Permit Number: M-78-009 Apache Mine  
Annual Report

To Whom It May Concern:

There was no scrap brick or block imported to the Apache Mine located in El Paso County, Colorado during the 2021-2022 reporting period.

There was an error found on the previous DRMS report maps. Since 2001 the west area of the middle mine area that was reclaimed was removed from the permit map for reasons unknown. It has been added back to the current map and the acreage updated.
