RE: File M2022-35; Acknowledgement of Permit Application Withdrawal and Request for Application Fee Refund.

Mr. Regan:

The Division of Reclamation, Mining and Safety (DRMS) has received the Application Withdrawal request dated August 9, 2022 for permit application file M2022-035, and your request for a refund of the \$898 application fee.

This letter is to inform you that the withdrawal has been processed at this time. Because the Division had not yet commenced its review of the application, the application fee of \$898 will be refunded when the W-9 form emailed to you this morning has been properly completed and returned to the Division. Thank you and let me know if you have any questions.

Sincerely,

Eric C. Scott
Environmental Protection Specialist
