From: Rob Zuber ***RDZ***
To: M-1987-092 File

Subject: **B&G Stone (Permit No. M-1987-092)**
Corrective action related to boundary marker

The Division's report from an inspection conducted on February 15, 2022 noted a problem for inaccurate boundary markers. The following photograph and map from Blue Mountain Stone were sent via emails on August 3, 2022 and August 12, 2022. The photograph shows the new marker, and the map indicates the location of this marker (northeast corner).
