Mr. Sterling Rife
Fremont County
110 Red Canon Road
Cañon City, CO 81212

**RE: Indian Springs Park Pit, Permit No. M-2001-087;
Hydrologic Balance Problem/Possible Violation Resolved**

Dear Mr. Rife,

On August 11, 2022, the Division received an email from you documenting the backfilled exposed groundwater at your site sediment pond. The Division considers this issue resolved.

If you have any questions or need further information, please contact me at (303)328-5229.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
