**Re: Additional Information Required, 2<sup>nd</sup> Quarter 2022 Groundwater Monitoring Report;  
Gold Hill Mill, Permit No. M-1994-117**

Dear Mr. Langenfeld:

On August 9, 2022, the Division of Reclamation, Mining and Safety (Division/DRMS) received the 2<sup>nd</sup> Quarter 2022 groundwater monitoring report for the Gold Hill Mill. After review of the submission the Division has additional items that need to be addressed or clarified.

1. Copies of the original analytical reports from Colorado Analytical Laboratories, Inc. were missing from the submittal, please provide the missing analytical reports.
2. It does not appear the table provided has been completely updated with the quarterly sample results for the Gold Hill Mill. The results for W-1, W-2, W-3, and W-4 are missing values. Please update and re-submit the table with current results.
3. Please update the graphs for the Gold Hill Mill to reflect the updated information requested above.

Please respond to these issues within 30 days of the date on this letter. The due date is September 21, 2022. The Division reserves the right to further supplement this document with additional items and details as necessary.

If you need additional information or have any questions, please contact me by telephone at **303-866-3567 x8114**, or by email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us).

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
