I sent Linda both documents you are referring to and this was her response below. We need:

- official board minutes or some other internal official documentation for Larry Cook Resignation from Allegiance Coal Ltd.
- official internally generated documentation from Allegiance Coal Ltd. with the current officer and control information including exact hire and resignation/term dates.

Hi Linda,
Can you update Allegiance Coal Ltd based on an Australian public filing attached, or do you need official internal corp documents? Please let me know. Thanks.
