RE: 2022 Developmental Drilling Report

Dear Ms. Reilley,

In pursuant of Section 4.07.3 of CDRMS rule, this is a report detailing the abandoning of drill holes for the 2022 developmental drilling program. Attached is a spreadsheet with the required drill hole information and a map with the drill locations. There was a total of 16 holes drilled in 2022.

Please contact me if you have any questions.

Sincerely,

Tonia Perkins
Senior Mining Engineer

Cc: File 109.2.3.1
