

Note:

- 1) Permit boundary and the location of mining and reclamation figures are approximate and not based on an actual survey.
- 2) Technical Revision #3, dated 6-7-2018 for Reclamation of Fines Disposal Area; grading and seeding, completed 5-28-2020.
- 3) A weed control plan is in place, however no noxious weeds were identified for treatment.

Canon Dolomite Quarry M1977-376
