Subject: Two Rivers Sand, Gravel and Reservoir Project, File No. M-2022-013, 112c Permit Application Adequacy Review #1 –
REPLY

Dear Rob,

The Division of Reclamation, Mining and Safety (Division/DRMS), Office of Mined Land Reclamation (OMLR); reviewed the contents of the Original 112c permit application for the Two Rivers Sand, Gravel and Reservoir Project (TRP), File No. M-2022-013 and submitted comments via Adequacy Letters of 24 June and 5 August 2022. The Division was required to issue an approval or denial decision no later than July 17, 2022. An initial extension was requested and granted to 15 September 2022.

Please find attached the following documents as our response:

We trust these attend to the comments received and look forward to receiving your response.

Additionally, we have reviewed the comments and objections provided in your correspondence of June 03, 2022. With regard to your question on jurisdictional issues, we believe any not under the authority of the DRMS which either have no standing or are addressed in this response, will be resolved in permitting with the City of Evans.

Regards,

Garrett Varra
General Manager
