Dear Mr. Simmons:

Mountain Coal Company, LLC (MCC) submits this letter, application and permit text for Minor Revision No.470 to add additional coal storage at the RPE and LRP if needed.

With the increased demand of coal MCC is requesting to store raw coal product on the RPE and LRP temporarily when needed to assist with coal inventory and shipping demands.

Please see attached permit text revision section 2.05 page 46, first paragraph for changes.

Please contact me with any questions regarding this submittal.

Sincerely,
