**RE: Notice of Board Hearing for Continued Consent Agenda Item
Arnusch Gravel Pit #3; DRMS Permit M-1981-287**

Mr. Arnusch,

Thank you for returning the executed consent agreement regarding the enforcement matter for the Arnusch Gravel Pit #3; Permit M-1981-287.

During the August 2022 Mined Land Reclamation Board (MLRB) hearing, the Board continued this item to the October 2022 MLRB hearing to allow additional time for a resolution to be reached. DRMS will provide the executed consent agreement to the MLRB for review, as well as place this item on the Consent Agenda for the October 19-20, 2022 MLRB hearing for the Board to formally approve and adopt the agreement.

The Board hearing will commence at 9:00am on October 19, and will be a virtual ZOOM hearing similar to the August 2022 MLRB hearing which you participated in. However, because this item will now be handled through the MLRB Consent Agenda, your attendance is not required for this hearing. If you wish, you may listen to the October MLRB hearing using the "MLRB Live Stream" link found on the home page of the DRMS website found at drms.colorado.gov. If you wish to be present for the hearing, please contact Camie Mojar via telephone at 303-866-3567, ext. 8136 or by email at Camille.Mojar@state.co.us no later than 5:00 p.m. on October 7, 2022, in order to receive an authorization code to attend the hearing.

If you have any questions about this letter or the hearing, you may contact Eric Scott by telephone at 303-229-9414, or by email at Eric.Scott@state.co.us

Sincerely,

Eric Scott
Environmental Protection Specialist
