Re: Goose Haven Reservoir M-2010-071 Amendment Application (AM2)
Decision Date Extension Request

Brock,

We are continuing to work on determining if any offsite impacts may occur due to the proposed drainage swale routing stormwater around the reservoir for Cell 2A.

We are therefore requesting an extension to the decision date for M-2010-071 Amendment Application (AM2) from August 26, 2022 to October 1, 2022.

Sincerely,
