**Re: Martin Marietta Materials, Inc., Windsor East Mine, File No. M-2022-042, Incomplete Submittal of 112 Construction Materials Reclamation Permit Application Package**

Ms. Mikulas,

On September 28, 2022, the Division of Reclamation, Mining and Safety (Division/DRMS/Office) received the 112 Construction Materials Reclamation Permit Application package for the Windsor East Mine, File No. M-2022-042. Preliminary review of the information received determined the following items must be received before the Division can consider the application as being submitted and technical review can begin:

**Application Form**

1. On Page 2, Item #10 - Primary Mine Entrance Location, the Applicant indicated the location as 40° 36' 54.40", -105° 6' 46.41". The provided location information indicates an entrance location north of Fort Collins, CO. Please review the location and revise the application form accordingly to provide the location of the primary mine entrance.

**6.4.18 Exhibit R - Proof of Filing with County Clerk and Recorder**

2. Please provide an affidavit or receipt indicating the date on which the revised application documents were placed with the Weld County Clerk and Recorder in response to this letter.

**6.5 Geotechnical Stability Exhibit**

3. Please provide the Slide 2 model data files in electronic format to allow the Division to verify the stability analysis using Clover Technology's Galena slope stability software.

The application will not be considered submitted until the information listed above is received and found sufficient to begin our review. A decision date will be established 90 days from the date of receipt of all of the requested information. Additionally, if you have already published notice you will need to republish notice, after the Division considers the application submitted. This notice must be published once a week for four (4) consecutive weeks, starting within ten (10) days of the date your application is considered submitted. We will notify you

when you should initiate republication of your notice. The final date for receiving comments is the twentieth (20<sup>th</sup>) day after the fourth publication or the next regular business day.

You have sixty (60) days from the date of this letter to submit all necessary documents the Office needs for the application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office shall deny the application and terminate the application file.

**The response due date is December 4, 2022.**

This letter shall not be construed to mean there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

If you have any questions, please contact me at [peter.hays@state.co.us](mailto:peter.hays@state.co.us) or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays  
Environmental Protection Specialist
