***RE: Upper Gold Links Mine, Permit # M-2016-083, 110(2) Amendment Application (AM-01)
Adequacy Review (01)***

Mr. Wilkinson:

The Division of Reclamation, Mining and Safety (Division) is in the process of reviewing the above referenced application in order to ensure that it adequately satisfies the requirements of the Colorado Mined Land Reclamation Act (Act) and the associated Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for Hard Rock, Metal, and Designated Mining Operations (Rules). During review of the material submitted, the Division determined that the following issue(s) of concern shall be adequately addressed before the application can be considered for approval.

1. Exhibit A – In order to clearly specify the affected area, pursuant to Rule 6.3.1, please provide a metes and bounds survey description for the amendment area, or alternatively, please provide latitude and longitude coordinates for each of the corners of the amendment area.
2. Exhibit E – Please provide a map that clearly specifies the permit area proposed in this amendment, either by a metes and bounds survey or by labeling the amendment area corners with latitude and longitude coordinates.

Please submit your response(s) to the above listed issue(s) by Friday, October 14, 2022 in order to allow the Division sufficient time for review.

The Division will continue to review your application and will contact you if additional information is needed.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,
