GRAND ISLAND RESOURCES, LLC'S PETITION FOR HEARING APPEAL OF
DIVISION'S FINAL DETERMINATION OF DESIGNATED MINING OPERATION
STATUS FOR CROSS GOLD MINE

**STIPULATED SETTING OF HEARING BEFORE MINED LAND RECLAMATION
BOARD FOR OCTOBER 19, 2022**

THIS STIPULATED SETTLEMENT AGREEMENT ("Agreement") is made and entered into by and between the Colorado Division of Reclamation, Mining and Safety ("Division"), Grand Island Resources LLC. ("GIR"), and Save the Colorado (jointly as "Parties"). Save the Colorado has recently filed its Petition to Intervene, to which the Board has not ruled upon, but nevertheless the "Parties" have conferred with Save the Colorado and the hearing date works for it as well. The Parties submit this agreement for consideration by the Colorado Mined Land Reclamation Board ("Board"). In support of their Agreement, the Parties state the following:

1. It is currently in the best interest of the Parties to set this hearing before the Mined Land Reclamation Board on October 19, 2022.

WHEREFORE, the Parties respectfully request that the Board approve this Agreement at its August 17, 2022 meeting.

Respectfully submitted this 3rd day of August, 2022.
