Good Morning Mr. Bishop,

We are scheduling the next shot at RCQ for October 19th, a Wednesday between the permit hours of 8 am to 3pm, estimating shot time to be around the noon hour pending weather and or mechanical issues. As usual we will give you a call approximately 1 hour before actual shot time. This will be shot 15 and it will be a production shot shooting bench 3 onto bench 2 in the center area of the quarry. Should you have any questions, please give me a call.

Have a great weekend,

Wayne Stoughton
