Good Morning Mr. Bishop,

We are scheduling our next shot, #16 to be on Thursday, November 3rd 2022 between the permit hours for blasting and we are estimating it to be shot at 12 noon pending weather and or mechanical issues. I will make sure to give you a call approximately one hour before shot time. This shot will be taking a portion of the old ramp out to get us down to bench 3 elevation and will be on the North West end of the quarry. Should anyone have and questions please feel free to contact me.

Thank you,

Wayne Stoughton
