RE: Pueblo East Pit, Permit No. M-1986-015, Technical Revision Request - 07

Dear Mr. Lennberg,

We are in receipt of your letter of October 7th, 2022, regarding the request by CWPDA for Technical Request 07 (TR-07) for the referenced pit. Please consider our request to extend the application request by 30 additional days to allow CWPDA to complete its responses to the adequacy letter as it relates to this request.

Best Regards,

Daniel Tucker, PE
Civil Engineer,
Colorado Water Protective and Development Association
