White River S & G Pit, Permit No. M-1991-009, Inspection Problem Abated

Dear Mr. Borchard:

On May 24, 2022 the Division of Reclamation, Mining and Safety (Division) conducted an inspection of the above referenced site. Right of Entry was cited as a problem for since a portion of the permit area was sold. Corrective actions required you to obtain updated legal right of entry for the southeast corner of the permit by the corrective action date.

On September 27, 2022 the Division an access agreement form the landowner. This satisfies the corrective action and it is considered abated.

If you require additional information, or have questions or concerns, please feel free to contact me.

Sincerely,

Amy Yeldell
Environmental Protection Specialist

EC: Travis Marshall, Senior EPS, DRMS
