Re: Trapper Mine (Permit No. C1981-010)
Review of September 2022 Discharge Monitoring Reports

Dear Mr. Roberts:

The Division has received and reviewed the 2022 Quarter 3 Discharge Monitoring Reports (DMRs), covering the period from July through September 2022 for the Trapper Mine. The DMR's were received by the Division on 26 October 2022 electronically. Thank you for your timely submittal of this information. Trapper submits DMRs to the Division, in accordance with Rule 4.05.13(2)(a)(iii).

Trapper reported that none of the outfalls discharged.

The Division does not have any questions, concerns or further comments at this time. If you have any questions or need additional information, please contact me.

Sincerely,

Robin Reilley, M.S. GISP
Environmental Protection Specialist II
