Hello -

I am following up on my inspection report from September. Have you guys controlled the weeds? If so, please send proof in the form of photos. If not, please request an extension to an appropriate time of year.

Thanks,  
Rob

Hi Rob,

We haven't been able to break the guys free to address this yet. I would like to request an extension until the end of spring 2023.

I hope you have a nice Thanksgiving.

Thank you,
