Re: Saddlebrook Pit, Permit No. M-2020-021, Inspection Problem Resolution

Dear Mr. Mouse:

On August 30, 2022 the Division of Reclamation, Mining and Safety (Division) conducted an inspection of the above referenced site. Two inspection problems were cited that required corrective actions that were detailed in the Inspection Report dated September 27, 2022. The due date for the corrective actions was set at Thursday December 1, 2022.

This notice is to inform you that all documentation has been received, resulting in the problems being resolved and your permit is now in good standing. No further action from you is necessary. If you require additional information, or have questions or concerns, please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 Ext. 8187 or by email at lucas.west@state.co.us.

Sincerely,

Lucas West
Environmental Protection Specialist
Division of Reclamation, Mining and Safety
