Re: Graff Pit, Permit M-2017-027, Receipt of Corrective Action Documentation

Dear Mr. Gardner:

The Division received your response to a Compliance Problem cited in the Division's report from the inspection that was conducted on October 26, 2022. The status of the corrective action in regard to the cited problem is as follows.

Compliance Problem, Hydrologic Balance: Prevention of river bank erosion and downstream flooding.

This problem is considered to be resolved as a result of a letter from Mark Gardner (16 November 2022) and discussions with the Division.

If you have any questions, please contact me at Rob.Zuber@state.co.us or by calling (720) 601-2276.

Thank you,

Robert D. Zuber, P.E.
Environmental Protection Specialist
