Ben, attached is the pubic notice that was mailed to all the interested parties. We inadvertently missed sending to you since our lease is only mineral and no surface. Can you please confirm that you have received the attached notice and let us know if you waive your right to comment in the next 20 days.

Julie Mikulas

Thank you Julie. I've received and reviewed this notice. I have no comments on the notice and I am happy to waive the right to a 20-day review period.

Thanks,

Benjamin Teschner

PUBLIC NOTICE

Martin Marietta Materials, Inc., 1800 N Taft Hill Road, Fort Collins, 80521, 970-407-3631, has filed an application for a Regular (112) Construction Materials Operation Reclamation Permit with the Colorado Mined Land Reclamation Board under provisions of the Colorado Land Reclamation Act for the Extraction of Construction Materials. The proposed mine is known as the Windsor East Mine, and is located at or near Section 36, Township 6, Range 67, 6th Prime Meridian.

The proposed date of commencement is January 1, 2023, and the proposed date of completion is December 31, 2031. The proposed future use of the land is water storage. Additional information and tentative decision date may be obtained from the Division of Reclamation, Mining, and Safety, 1313 Sherman Street, Room 215, Denver, Colorado 80203, (303) 866-3567, or at the Weld County Clerk to the Board's office; 1150 O Street, Greeley, CO 80631, or the above-named applicant.

Comments must be in writing and must be received by the Division of Reclamation, Mining, and Safety by 4:00 p.m. on November 22, 2022.

Please note that under the provisions of C.R.S. 34-32.5-101 et seq. Comments related to noise, truck traffic, hours of operation, visual impacts, effects on property values and other social or economic concerns are issues not subject to this Office's jurisdiction. These subjects, and similar ones, are typically addressed by your local governments, rather than the Division of Reclamation, Mining, and Safety or the Mined Land Reclamation Board.
