**Re: Extension Request No.1 Approval, CN-1 Decision Date, Phillips Stone Company,
Permit No. M-1981-075**

Mr. Vasquez:

On December 1, 2022, the Division of Reclamation, Mining and Safety (Division/DRMS) received your request, to extend the decision date for the Conversion Application, CN-1, at the Phillips Stone Company, Permit File No. M-1981-075 from December 26, 2022 to February 24, 2023. **The Division hereby approves the extension request to February 24, 2023.**

If you need additional information or have any questions, please contact me by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
