Good morning Mr. Bishop,

Our next scheduled shot for Red Canyon Quarry will be on December 8, 2022, pending weather and or mechanical issues. This shot will be on bench 4.5 and will be taking out a portion of the old ramp on the Northwest side of the quarry. We are looking to put this off within the permit hours and are estimating it to be shot around noon. Mr. Bishop, I will give you a call approximately one hour before shot time. Should anyone have any questions please feel free to call upon me.
