Division of Reclamation, Mining and Safety
1313 Sherman St. Room 215
Denver, Co 80203

Regarding: October 26, 2022 Inspection Report corrective action

Permittee: Whitewater Building Materials Corp.
Permit #: M-2017-027
Operation Name: Graff Pit
Anniversary Date: January 18th

The above referenced pit location was inspected on October 26, 2022 by Rob Zuber P.E.. The inspection report indicates the corrective action listed below.

Inspection Topic Hydrologic Balance: The Division has no evidence of a valid Well Permit.

Corrective action: Whitewater will be filing a TR to dewater the mine and amending its water rights for the new augmentation plan. The TR will be filed soon. Once the augmentation plan and water rights are in place we will file for a well permit and a BOR contract to fulfill its augmentation plan. Whitewater believes this will take up to 120 days to complete.

Whitewater is requesting an extension to the corrective action date from January 6, 2023 to May 6, 2023.

Sincerely

A handwritten signature in blue ink, appearing to read "Mark Gardner".
