RE: Heit Sand and Gravel Mine, Permit M-2003-016, Denial and Termination of Application for Transfer of Permit and Succession of Operators (SO3)

Mr. Regan:

On December 19, 2022, the Division of Reclamation, Mining and Safety Denied and Terminated the Request for Transfer of Mineral Permit and Succession of Operators from Pioneer Sand Company, Inc. to City of Broomfield for the Heit Sand and Gravel Mine, Permit M2003-016.

The reason(s) for denial of the revision request is/are as follows:

Applicant failed to submit the materials required for the revision request to be deemed complete for review as specified in the letter dated October 18, 2022 within the required 60 day timeframe.

Please contact Eric Scott (303) 229-9414 or by email at eric.scott@state.co.us if you have any questions.
