Acreage Reduction Request (AR01) Withdrawn

Dear Mr. Burkey:

The Colorado Division of Reclamation, Mining, and Safety (Division) received correspondence from you on December 27, 2022 requesting to withdraw the acreage reduction request (AR-2) submitted on December 16, 2022. Per our conversation on December 21, 2022 the Division concurs with this plan, as other permit revisions are necessary before a release may occur. The Division accepts the withdrawal request and the revision is closed.

If you have any questions feel free to contact me at (303) 866-3567, extension 8183.

Sincerely,

Amy Yeldell
