RE: *Loloff Construction, Inc. – Loloff Pit – Technical Revision No. 4 Request
File No. M-1985-112*

Dear Mr. Hays,

Loloff Construction, Inc. requests a revision to their existing permit to address the following items:

1. Reclamation Plan: Revision to the reclamation plan to update the reclaimed areas for road base on the access/maintenance road around the reclaimed reservoir and areas outside the roadway that will be reclaimed with structural fill hard surface.

Detailed descriptions of these revisions are in the following sections.

Reclamation Plan: Revision of the Reclamation Plan to change/update the reclaimed areas for road base on access/maintenance road around the reclaimed reservoir, and areas outside the roadway that will be reclaimed with structural fill hard surface.

The reclaimed areas as shown on the attached drawing/map will be changed/updated to have an area of 3.17 acres that will be reclaimed as the access/maintenance road with road base and 5.13 acres that will be reclaimed as hard surface area with structural fill.

Loloff Construction, Inc. appreciates your consideration of this technical revision request and looks forward to your response.

Please feel free to contact me with any questions or comments.

Sincerely,

A handwritten signature in blue ink that reads 'J.C. York'.
