**Re: Goose Haven Reservoir #2- Complex Expansion - File No. M-2010-071
The City of Lafayette
Amendment (AM-2)
Goose Haven Reservoirs Complex Expansion #2 and #4**

Dear Fritz Sprague:

On January 18, 2023 the Division of Reclamation, Mining and Safety concluded its review of the Amendment application submitted to the Division on July 22, 2021, addressing the following:

Adding a new cell that will be a clay lined reservoir with a Low Hazard Jurisdictional Embankment Dam.

The decision reached by the Division is: approve with the following two (2) conditions.

- The Applicant shall install the proposed monitoring wells by June 30, 2023. The Applicant shall submit to the Division within 30 days of completion of monitoring well installation activities the boring logs, well construction diagrams and copies of the proper DWR submittals.
- The Applicant shall by September 29, 2023 submit a Technical Revision to update the site wide groundwater model based on information collected from the newly installed monitoring wells.

The terms of Amendment No. 2 approved by the Division are hereby incorporated into Permit No. M-2010-071. All other conditions and requirements of Permit No. M-2010-071 remain in full force and effect.
