**Re: Pueblo East Pit, Acreage Reduction Approval,
Permit No. M-1986-015, Revision No. AR-2**

Dear Mr. Ricken:

On January 23, 2023, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 349 acres, through the release of 115.49 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
