111(1)(b) Reclamation Permit Application Adequacy Review Letter Response  
Decision Date Extension Request*

Dear Mr. Hays,

J-2 Contracting Company (J-2) has received the Division's Adequacy Review of the Special Operation 111(1)(b) Reclamation permit application letter dated January 18, 2023. We have addressed the comments and provided responses dated January 20, 2023, however in order to review more time may be needed for you to review those responses and provide your response or approval back to us.

J-2 Contracting Company would like to request an extension to January 27, 2023 to allow some more time for your review.

Thank you for your consideration of our decision date extension request. Please feel free to contact me with any questions or if you need additional information.

Sincerely,

J.C. York, P.E.
