Re: Dellacroce Pit, File No. M-1993-050;
Acknowledgment of Request for Withdrawal of Surety Reduction Request (SR-1)

Dear Dr. Bellantoni:

On January 25, 2023, the Division of Reclamation, Mining and Safety (DRMS) received an emailed request from you asking the DRMS to withdraw the application for a requested Surety Reduction (SR-1). The DRMS accepts the withdrawal request. All reviews of this surety reduction have been terminated.

If you have any questions, you may contact me at (303)866-8567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
