Good Morning Mr. Bishop,

We are scheduling the next shot #2 for February 3rd, 2023, pending weather and or mechanical issue between the permit hours of 8 am to 3 pm. Expecting the shot time to be around 12:30 pm. I will contact you approximately one hour before shot time so that you can prepare for this shot. It is a ramp shot on bench 3.5 to take a portion of the old ramp out. It is on the far Northwestern side of the quarry. Should you have any questions please feel free to contact me.

Thank you,

Wayne Stoughton
